STUDIO
ALEXANDER
INTERIOR DESIGN

Founded in Spring 2024, Studio Alexander is reimagining what contemporary homes can feel like—colorful, tactile, soulful, and lived-in. The studio has quickly made its mark, growing through a range of residential and boutique hospitality projects, creative partnerships, and the launch of its own online vintage shop. Studio Alexander is guided by one core conviction: great design has the power to transform how we thrive.

They're not just creating beautiful spaces. They're redesigning an industry.

Architects, builders, interior designers, landscape designers and manufacturers are working together to prove what we already knew: sustainability doesn't compromise beauty, it elevates it. Every day, they're sourcing smarter. Specifying cleaner. Building for longevity, not landfills. Your work is already beautiful. Make it meaningful, too. Join us.
